

ANNUAL MEMBERSHIP FEES - January 2016

Dear Parents

*The Annual Subscription fee of **£35.00** per group member is now due and we would very much appreciate payment as soon as possible. Cheques should be made payable to '9th Leicester Scout Group' and marked for the attention of the Treasurer c/o your child's section leader. In cases where this subscription will cause problems for our members scouting please contact the Group Scout Leader.*

Weekly subscriptions are currently £3.50 per week, per member, payable either weekly or termly. At present this money just about covers member's badges and activity costs. We also have to pay an annual subscription for each member of our group, which ensures that they are insured whilst engaged in any scouting activity. Subscriptions also go towards the running of National Headquarters, County campsites and leader training.

This year the Annual Capitation payable is £38.80, which is £3.80 over the amount we are requesting from you. For 2016 the Group Exec. has agreed to pay the shortfall. However, we would like to point out that non payment of Group Membership fees will mean that we will have to charge more per person. So please be prompt in your payments. The situation will be review during the year in time for 2017 payments.

Our preferred method of payment of both weekly subscriptions and annual capitation is by a monthly standing order of £14.50. **If you have been paying by this method for at least 6 months, then of course the above £35.00 is not needed.**

If you do not pay by monthly standing order and would like to, please fill in the form, which is available in the foyer of the clubroom, and attached to this email putting the name of your child in the reference box, informing your section leader and **sending form to your bank/building society.**

We hope you understand the need for payment of these fees, which is in line with other youth groups.
