

Photo permission form

Leicester South East

Scouting in South East is growing, and all of us know that's because of the great adventures provided every week. We want to start sharing these adventures so even more people can enjoy Scouting and one of the best ways to do this is with photos and videos of our current Beavers, Cubs, Scouts, Explorers, Network and leaders.

At a lot of Scouting events photos and videos are taken and we want to use them to further Scouting; that means in our newsletters, at our presentation evenings, on our websites, on social media sites and in the external press.

All media will be used in accordance to the national Scouting guidelines, especially when it comes to social media sites like Facebook and Twitter. The media coverage not only lets potential future Scouts see what it's all about but it will let you, the parents and carers, see why your children enjoy Scouting so much. If you would like to see the Districts current presence on social media follow @SELeicScouts on twitter or search Facebook for 'Leicester South East District Scouts' and join the group
